Today's ceremony is to dedicate the newly named "Fallen Heroes Memorial Highway" in honor of all the soldiers, police officers and firefighters who have sacrificed their lives for all of us.

The inspiration for the "Fallen Heroes Memorial Highway" is Nick Madaras, a young man from Wilton who was killed in Iraq on September 3, 2006. Nick was only 19 when he died, leaving behind a grieving family and many great friends.

> "Fallen Heroes Memorial Highway" Wilton/Ridgefield Route 33 town line to the junction of Routes 33 & 136 in Westport
